

Christopher Dolphin

dolphin@likethemammal.com • Eugene, OR • likethemammal.com

UI development lead and VFX artist with advanced experience building large-scale Javascript app architecture with remote teams. Specialized in animation and user experience.

Professional:

Freelance (remote)

Blockcards, Frontend Architect

Oct '18 - Present

- Utilize **Storybook**, its addons, and **Jest** to quickly prototype, implement mockups, and test UX.
- Compose engaging animations with **Three.js** and **react-spring**, focusing on appeal, solid drawing, and performance.
- Handle async Metamask calls to the blockchain using **redux-saga** and **web3**

Codementor, Mentor

Nov '17 - Present

- Help mentees without technical backgrounds understand the reality of their goals and create a learning path with the least resistance.
- Build prototypes using **React Native** and **Matter.js**. Debug Three.js effects, CSS Animation quirks, and React component sprawl.
- Mentor profile: codementor.io/likethemammal
